
1. APPENDIX B: CAR CLASSES

It is CAC's intention to class all essentially identical vehicles from the same manufacturer (which differ only cosmetically or in nominal marquee designation) in the same class. If a version is omitted from the classes listing and is otherwise eligible for the category, then its classification will be the same as the equivalent car that is listed.

All unclassified cars will compete in *Super Sport* until classified by CAC, unless covered by a "catch-all" description. To use catch-alls at the end of the specific car classes in this Appendix, start from *Super Sport* and work down the classes until a class is found.

For **Stock Category** vehicles, the manufacturer's specifications shall be used for specific wheel diameter and maximum rim width specifications.

The following make/models are not eligible for Stock Category: BMW M3 Lightweight, Calloway Corvette, Mustang Cobra R, Dodge Viper (NOC), Firebird Firehawk, *Mini 'Works' package*, Porsche 911 GT2 ('02+), *Porsche 911 GT3*, Porsche 911 Turbo AWD, BMW Z8, BMW 325 M-Technic, Lotus Elan M100, Ferrari 355 and 360, Saleen Mustang (supercharged), and Oldsmobile 442 HO W-41 (Sports package option).

Abbreviations:

- AWD- All Wheel Drive
- FWD- Front Wheel Drive
- L- engine displacement in litres
- NOC- Not Otherwise Classified
- RWD- Rear Wheel Drive
- Vn- number of cylinders (prefix) or valves (suffix)
